Stewardship Frequently Asked Questions

What is a pledge?

A pledge is a very powerful action! It is a promise of monetary support for our Church, and all it represents in our beloved community. It can be changed as your circumstances change as well by simply telling the Pastor (pastor@brocktonucc.org) or the bookkeeper (finance@brocktonucc.org).

Why should I pledge vs just giving as I can?

Your pledge is an expression of thankfulness in response to God's bountiful blessings!

Your pledge (and you) is what makes the Church vital and helps to ensure that the Church's greater missions in the community and abroad are realized. The church leadership can plan the ministry work with pledges through the church annual budgeting process. Pledges helps the church to keep its commitments to staff and vendors and its many ministries.

Even if you pledge online regularly, please fill out a pledge form for how much you give.

Does my pledge make a difference?

Your pledge makes a HUGE difference! Christ Church relies on the full support of ALL of its members and friends. When we can gather our monies together, we can do more things for our church and community that we couldn't do alone.

What if I cannot make a monetary pledge?

Being a good steward is not just about treasure; There are many boards and committees where your time and talent would be welcomed.

***Thank you for the Generous Sharing of God's Gifts
with your time, talent and treasure.***
