*"For surely I know the plans I have for you, says the LORD, plans for your welfare and not for harm, to give you a future with hope."
~Jeremiah 29:11~*

Friends, we are reclaiming our hope here at Christ Congregational Church. In October we held our first in-person variation on Breakfast and Beliefs with a "Bagels and Beliefs" (bring your own breakfast) event. For those who came out and participated in the conversation it was good to feel the connection that comes with being together, in person, having conversations about our faith. We also had two very special services in Dick Hill's long awaited memorial service, and Ann-Marie's ordination. Those services would not have been possible without the support of faithful members of our Beloved Community coming together to help with serving food, setting up, planning, checking people in according to our COVID-19 protocols, and so many other details. We have been busy with regathering, and the joy at being able to do so has been apparent, and I want to challenge us to keep that going in November!

This week we'll have a "mini" version of our fair, on November 6th. The fair has been an essential part of our lives together for many years not just because it's our strongest fundraiser – but because it's also part of how we come together as a Beloved Community. Whether it's through donating, volunteering, coming on the day of the fair (or even a little bit of all of those) the fair is a touchstone for us to come together. It's not too late to get involved either, just contact Sheppo Fisher or David Wilcox for more information – and let's all thank David and Sheppo for their hard work so far!

Throughout the rest of the month we will celebrate a baptism on November 14th, my installation on November 21st, and a concert to dedicate our organ on the first Sunday in Advent on November 28th – and then we'll solidly be on the road to Christmas!

Friends, in times like these the words above from the prophet Jeremiah ring especially clearly in my spirit – God has plans for God's people, and those plans are founded in hope. We have much to hope for, and much to be hopeful about, because our Beloved Community is celebrating our connection through God's Holy Spirit. Thank you, friends, for walking with me on this hope-filled journey.

Blessings and Peace,

Pastor Jeff

NOVEMBER

FAITH FORMATION

@CCC

Our in-person faith formation programs have continued over the past month!

The Nursery crew and K/1 class continue to meet weekly for Sunday School classes during worship and the Middlers completed it's first monthly service project with the Mission Committee.

MIDDLERS

2ND - 7TH GRADE

NOVEMBER 7TH

Class will meet in the wing before rejoining the congregation for communion. Our story this month is about David and Mephibosheth and what it looks like to show grace to others.

NOVEMBER 14TH

Our mission project will begin this week and will focus on creating hats and scarves for the Mission tree.

NOVEMBER 21ST 28TH

The class will remain in worship and continue working on their scarves and hats in the Youth Prayground with helpers.

YOUTH GROUP

MIDDLE-HIGH SCHOOL

A fun place to grow in fellowship and faith! Be on the look-out for a scheduling email soon.

K / 1 CLASS

KINDERGARTEN - 1ST GRADE

This month, the K/1 class will be continuing their journey through the stories at the beginning of the bible. After learning about Sarah and Abraham and their descendants, the group will continue into Exodus.

The class is also getting its own dedicated classroom with some pretty cool features!

NURSERY

INFANTS - PRE-KINDERGARTEN

The nursery is also exploring bible stories in the book of Genesis - learning about Abraham and Sarah and their descendants.

Ms. Tammy has been hard at work updating the nursery space, which now has a pretty cool ball pit!

Nursery care is available through the service each week, with drop off beginning at 9:45am.

CONFIRMATION

8TH GRADE AND UP

This year's cohort of confirmands is forming and will soon begin classes. Led by Pastor Ann-Marie and Pastor Jeff, the class uses the Confirm Not Conform UCC program to explore big questions of faith. If your youth is interested in confirmation, please speak with one of the pastors so they can be included.

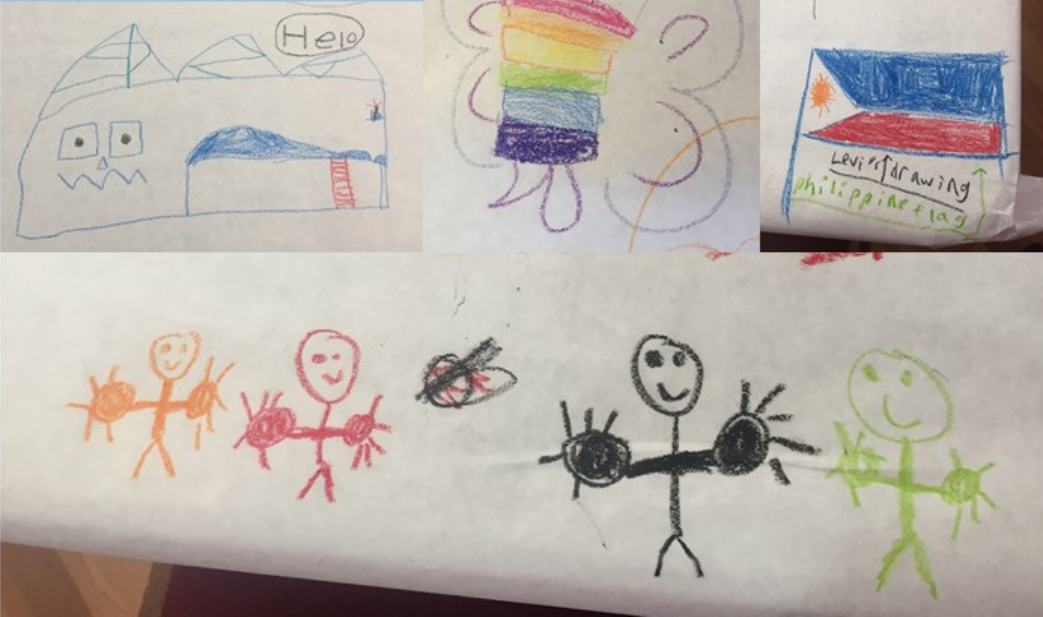

Interested in faith formation for your child/youth, but not ready to return in-person yet? Please contact Pastor Ann-Marie to discuss possible alternatives.

Extra Yarn, Crochet Hooks or Knitting Needles?

The Middler class will be making hats and scarves as part of their service project in November and December. You can help them by contributing any extra yarn or fleece you have, as well as any knitting needles or crochet hooks. Larger sized yarn and hooks/needles are especially helpful for small hands. It's a perfect way to get rid any extras in your yarn stash!

Additionally, if you're a knitter or crochet-er and would like to help our young folks with this project, please speak to Pastor Ann-Marie.

Check out this beautiful art created by some of our young folks in the Youth Prayground!

Welcome Back-Packs Project!

Many thanks to the Missions Committee for organizing the Sunday School service project in October and everyone who donated supplies. Together, they were able to assemble almost 30 Welcome Back-Packs full of toiletries and other essentials. These packs will be used to help folks who are leaving incarceration as they adjust to living outside of prison.

The **Board of Vitality** would like to invite everyone to come and join us for games and ice cream on Saturday, November 13th from 6-8 PM! Just bring your favorite board game and an appetite for ice cream, along with some quality fellowship with our Beloved Community. For more information reach out to a member of the Board of Vitality: Tricia Gross, Dani Karidsco, Maryann Selman, and Lorraine Wilcox.

Notes from Murray

I thank You God for most this amazing day For the leaping greenly spirits of trees.

This poem by E.E. Cummings has been going through my mind lately. As we lose the presence of green colors outside, heading into late fall, it is important to remember that the spirit of trees remains ever green. We can learn a great deal from the charity of trees and their quiet presence in our lives. If you can, take a moment to notice a tree within your daily travels or that is part of your daily view. Take the time to go out of your way to touch it; feel its strength. Trees are miraculous! Just because they are recharging during these months, they are no less fresh and formidable. Knowing myself, I know that I find it hard to remember that our spirits remain green by the grace of the Divine. It can be easy to forget our strength of spirit as we head into these months each year. The joy and faster pace leading to Christmas and, possibly, our concern for staying on the "good" list might keep our spirits a bit brighter for the moment. As we start looking towards Advent, keep in mind the passage of 1 Corinthians 13 that is used in this setting of [Ubi Caritas](#), "Charity (Love) suffereth long, *and* is kind." Keep your spirits "greenly" and give thanks for this amazing day. Trees are joyous as they reach to the heavens!

The Chancel Choir and Ringers need you! The Phasing Forward Task Force has approved the choir to increase its numbers in the choir loft to 20. If you are interested in helping lead worship, singing wonderful music and being part of this fun band of musicians, please reach out to Murray or just show up on Wednesday's at 6:45pm. If you are not sure and want to just try it out, that is fine, too! Our hand bells welcome new members, too! In addition to our Chancel Ringers who rehearse on Wednesday evenings at 6:00pm, we have a group - the Covenant Ringers - that is hoping to start meeting again on Wednesdays in the mid-afternoon. Carol Bradford is heading that group, so feel free to reach out to her or Murray. The youth music program is still on hold for the time being, but we look forward to a time when we will hear little voices and see little ones playing our Orff instruments and Boomwhackers!

Sincerely,

Murray

Dear friends,

Patricia and I would like to thank everyone who helped with Ann Marie's ordination. We were overwhelmed by all the help and support received on that day and throughout her journey. We feel truly blessed to be part of this church community.

Blessings,
Jeff and Pat Illsley

Dear Church Family,

Thank you all so much for helping make my ordination service and reception possible. I was so honored by all those who helped make the day possible, the tech team folks who made it possible for folks to join online, the choir members who offered their music, the deacons who checked folks in and made sure everybody was served, and the huge number of folks who helped set-up, serve and clean up the reception. Moreover, having so many of you attend the service in person or online and participate in they laying on of hands was incredibly meaningful to me. I will treasure the beautiful rainbow stole and lovely cross you gifted me as well as the memories of that day. Not everyone is blessed with such an amazing church community and I feel so fortunate to have one that has loved and supported me through my discernment journey. Thank you!

With much love,
Rev. Ann-Marie

COMMON THREADS QUILT GUILD

Our next meeting is Tuesday, Nov. 16th from 1-3pm in Fellowship Hall. We will have a black and white quilt to layer and baste. There will be two lap quilts that need binding to finish them up.

Sylvia Berry is still raving over the quilt we gave her. She calls it "a stunning piece of art" and you ladies did it. Pat yourself on the back.

STEWARDSHIP

2021-2022

Your Stewardship team, along with help from Endowments and the Treasurer, is finalizing its plans for the 2022 Christ Congregational pledge drive. Our Stewardship theme for 2022 of “Rooted in Love” draws inspiration from Psalm 1: “They are like trees planted by streams of water, which yield their fruit in its season.” The Psalmist invited us to imagine all the good things we can bear when well-planted. What might we give away when rooted in love? But the Psalmist also meant something deeper. The word we translate as “planted” in English means “transplanted” in Hebrew. This translation speaks to the power of love to move us from one place to another, the power to convert us from one way of life to another. What would need to change in our lives for us to be fully rooted in love?

We might need to make a move from a “mindset of scarcity” to a “mindset of abundance.” A scarcity mindset makes us think there will never be enough--we must compete, one against another, because there is not enough to go around. Scarcity thinking names all the things we cannot do, all the things we cannot share. But a mindset of abundance sees the fullness of God’s love. Martin Luther King Jr. saw the world abundantly--despite all the injustice he confronted, King knew God’s spirit moved through history, creating and renewing community.

King once described the force of love that animated the Civil Rights Movement. “Agape is not a weak, passive love. It is love in action. Agape is love seeking to preserve and create community. It is insistence on community even when one seeks to break it. Agape is a willingness to go to any length to restore broken community.”

What would it mean for our lives to be rooted in such love?

Board of Stewardship: *Jilliann Larson, Kate Howard, Matt Howard*

Dear Janice and the Board of Deacons, 10/19/21
Am looking at my beautiful plant, and it is loaded with little red blossoms - and I mean loaded (hundreds in this plant)! I put it on my porch during the day and bring it into the living room at night. That seems to keep it healthy and happy. Thank you so much for your thoughtfulness and for expressing it in such a lovely way. I am doing well and keeping up with my appointments and social activities. I miss the personal contacts (as we all do), but things seem to be slowly getting back to normal. My best to all!

Sincerely,
Janet Hodnett

MISSIONS NEWS

Hello Fellow Church Members and Friends, We did it! Finally got the pack packs packed with the great help from the Sunday School Classes. They will be delivered soon to the agency that distributes these to released inmates so they will have something to work with once they are on their own. **Thank you to all who donated items!**

Second note: Our Bulletin Board in Fellowship Hall is VERY out of date because COVID-19 took over! We will be writing to different agencies and asking for updates to keep us informed as to how they are doing and what their plans are for 2022. Then we will post these responses for all to read.

Our budgeted items are almost the same as before with one or two changes.

Thank YOU for helping with the Missions Team!

Missions is collecting 2022 calendars for the Brockton Veterans Hospital. If you can spare a few for the Veterans, please bring them to the Church Office. All kinds and sizes are needed. These will be delivered a few times starting in November.

FROM THE MODERATOR

What a wonderful day - Congratulations to Reverend Ann-Marie Illsley on her Ordination! What a joy to see so many gathered to celebrate this momentous occasion. We were blessed to have Ann-Marie's leadership and guidance as we navigated the pandemic and pastoral transition. We wish her God's grace and direction as she completes her profile and begins her search process. Go forth with the gratitude and prayers of Christ Congregational Church.

On November 21st we celebrate the Installation of Pastor Jeff as our Senior Pastor. His arrival during the pandemic forced us to postpone this long-awaited event, please join us as we pledge our mutual commitments to each other in service to our church and the wider community. A collation will follow the Installation service.

As a congregation, we are responsible for facilitating comfortable and safe housing for our Pastor and their family. Cottage meetings continue as we discuss options and receive ideas for future Pastoral Housing. Remaining cottage meeting dates are Sunday, October 31st at 11:30 am, in person and via Zoom; Tuesday, November 9th at 6:30 pm via Zoom; and a Wednesday, November 10th bag lunch meeting, in person at the church. The results of these conversations will inform the process, your input is important! It is our hope that a vote to establish a Pastoral Housing Committee will be approved, in order to discern the most appropriate housing needs for current and future ministers who lead and serve our congregation. Please come to the Annual Fall Meeting on November 14th and offer your support.
